# THE WAPITI

The Senior Class of 1961 presents this volume of the Wapiti to their parents and the community of Augusta. It is a tribute to all those we hold high in esteem and a token of our achievements. It will remain an account of the memories and wonderful friendships we have attained. May it be a reminder of the past twelve years spent in preparation for our life's work. We feel it will become more treasured as the years pass, and we reflect on the memorable days at AHS.

## DEDICATION

We, the class of 1961, do dedicate this annual to Mr. E. J. Tuomi and Mr. Stephen Mosher.

Mr. Mosher served fifteen years as a school board member. Mr. Tuomi entered the doors of Augusta Schools as Superintendent when many of us entered as first graders.

May this be an expression of gratitude for the fine guidance, friendship, and service they have rendered us.

## ADMINISTRATION

The Senior Class of 1961 presents this volume of The Wapiti to their parents and the community of Augusta.

It is a tribute to all those we hold high in esteem and a token of our achievements. It will remain an account of the memories and wonderful friendships we have attained. May it be a reminder of the past twelve years spent in preparation for our life's work.

We feel it will become more treasured as the years pass, as we reminisce on the memorable days at AHS

Mr. Bill Barrett, Mr. Roland Mosher, Mr. Roscoe Geise, Mr. Bert Artz, Mr. Charles Gelsing, and Mr. Jay Koch.

Governing our school are the School Board and the superintendent.

The board members are the elected representatives from the community who devote much of their time to the functioning of our school. Their compensation for this work is only the intangible but satisfying thought of helping to educate the minds of the citizens of tomorrow. It is with deepest gratitude we regard these men.

Our superintendent, Mr. Tuomi, sustains the momentuous task of putting forth the wishes of the school board. He insures that all students gain to their full advantage the knowledge the school and faculty offers. We are profoundly indebted to him for his untiring effort on our behalf.

## FACULTY

We, the seniors of 1961, wish to express our gratitude to the members of the faculty; MR. PAUL ROHNKE, business education, chorus, sophomore sponsor; MR. BUXTON KETTERING, coach, mathematics; MR. C. V. WILSON, social studies, junior sponsor; MRS. HELEN J. SAYLOR, home economics; MR. C. W. NORWOOD, vocational agriculture, science, senior sponsor; MR. GLENN RICHARDSON (replacing MR. NORWOOD), vocational agriculture, science; and MR. LEE BOYD, English, French, freshman sponsor.

## HISTORY

On September 2, 1957, twenty-three green freshmen entered the doors of A.H.S. During the year we gained Larry Robinson but lost Sharon Hart, Ronald Roos, and Tom Smith, thus leaving us with twenty-one freshmen. Our class officers were Gary Dreikosen, Sherry Krueger, Nancy Thompson, and Marilyn Mosher. Mr. Morgan was our sponsor.

Twenty-six started out our sophomore year. Don Converse, Larry Haugen, and Larry Miller did not return with us. We gained Bill Gouchenour, Tim D'Avis, Chuck Godkin, Nancy Milliron, Betty Orr, Dale Salmen, Tony Spek, Joanne Whitaker, Bev Woods, and Elaine Hamon. However, Gail Cotter, Betty Orr, Chuck Godkin, Joanne Whitaker, Bev Woods, and Elaine Hamon dropped out, leaving twenty-three sophomores. Harry Brunett, Tim D'Avis, Beryl Wearley, and Nancy Milliron led the class that year. Mr. Norwood was our sponsor and held the position for the following years.

Twenty-two juniors became upperclassmen and elected into office were Gary Dreikosen, John Kimble, Nancy Thompson, and Marilyn Mosher. Lou Ann Richter and Don Converse were our only two newcomers, and Lou Ann Richter and Donna Joseph dropped out. Ronnie Roos joined us again, and Nancy Milliron didn't return with us that year. Class rings were ordered and the theme of the prom was DESERT SONG. The Happy Four provided the music. During the year Sherry Krueger was chosen to attend Girls' State; Marilyn Mosher was alternate. Dave Barrett and Harry Brunett represented Augusta at Boys' State and Gary Dreikosen was alternate.

Our last and most important year began with the order of our announcements and senior portraits. We sponsored the Christmas Ball. Newcomers were Kathie Curran and Sandie Hall. Barbara Whitaker transferred and Ronnie Roos quit school leaving us with a final twenty-one seniors. Our class officers were Harry Brunett, Marilyn Mosher, Shirley Weikum, and Sherry Krueger. The annual staff was elected: John Kimble and Marilyn Mosher were co-editors; Sherry Krueger and Harry Brunett were business managers; Gary Dreikosen, sports editor; Bonnie Neal, art editor; Shirley Weikum, calendar; and Nancy Thompson was snapshot editor.

Baccalaureate was held on May 21 and Graduation on May 22--the happiest of all days which ended the history of the largest class to graduate from A.H.S.--the class of 1961.

## CLASS WILL

We, the seniors of 1961, being of sound body and mind, do put forth this last Will and Testament.

Larry Allen leaves his girl friends in Simms to Jay Tuomi and his legs to Wayne Kennedy.

Bob Arrotta wills his dog, Prince, to the freshman boys. To Ed Barrett he gives his love for running the mile.

Dave Barrett has chosen Gus Wolfe to be heir to his flirtatious ways with the girls. He also leaves his quiet ways in history class to Lew Zimmer.

Harry Brunett bequeaths his raunchy ways to Del Goss. To Scout Rich-ton he wills his good disposition.

Kathy Curran leaves her little brown Ford to anyone but her sisters and her "Yes, sir" to Mr. Boyd.

Tim D'Avis wills his hitch-hiking ability to Mike Robb and his clean jokes to Roberta Walsh.

Gary Dreikosen's ability in sports goes to Frank Martin; he wills his empty crackerjack boxes and pecan shells to the janitors.

Don Converse bequeaths his dead horses to Roberta Anderson and his seat on the bus to Carol Gourley.

Karen Gelsinger wishes to leave her driving ability and membership in the Crash Club to Carol Kimble. Her out-of-town lovers are bequeathed to Bonnie Pings.

Bill Gouchenour wills his "days off" to Lynne Benson; and the Chateau cops to anyone who wants them.

Sandie Hall's figure goes to Peg Whitaker and her bottle of peroxide to Terry Routzahn.

Sherry Krueger leaves her love for the Forest Service to Judy Eaton and her place on the honor roll to Joe Geldrich.

John Kimble bequeaths his little Corvair to the biology class who will attempt to discover what it eats.

Marilyn Mosher wills her love for underclassmen to Charlene Gelsinger and her nickname, Mashie, to Gloria Erickson.

Bonnie Neal's art ability goes to the freshman boys; her love for school goes to Lynne Benson.

Kenny Risley leaves his love for shorthand to Mr. Rohnke and his ability in sports to Terry Nett.

Ronnie Roos wills his love for the teachers to Karen Anderson and his affinity for dancing to Tom Kennedy.

Dale Salmen bequeaths his jewel-studded church key to Jim Hubbard and his physique to Skip Joseph.

Tony Spek leaves his height to Dave Manix, his ketchup to Mr. Wilson, and his love for school to Mr. Tuomi.

Nancy Thompson leaves her knowledge of French to Terry Nett, the French Lover, and her cheerleading outfit to anyone it will fit.

Beryl Wearley wills her bottle of correction fluid to the typing 1 students who will need it next year. Her freckles go to Norman Grosfield.

Shirley Weikum wishes to leave her stately walk to Lora Lucero and her ability to keep one boy friend throughout high school to Joanne Shortridge.

## CLASS PROPHECY

As we gaze through the hazy crystal ball we see the future of the departing class of 1961. We also see the senior class as they are in the year 1981.

Gary Dreikosen, the famous bow hunter, is in Africa hunting Wampus Cats. Kathy Curran is Gary's guide in Africa.

John Kimble recently won honors in the Indianapolis 500 as being the first to win the race with his red 1960 Corvair. Bill Gouchenour is the head of John's pit crew.

Nancy Thompson is happily married with twelve children. Nancy never did like to pay taxes.

Marilyn Mosher is our first ambassador to the hostile planet of Pluto. If anyone can whip them, Marilyn can.

Larry Allen is operating a well-known school for interplanetary playboys. His school is based on his experiences.

Robert Arrotta has spent his whole life street fighting on Jupiter and has lost only one fight. We'll miss the ol' kid.

The Honorable Senator David Barrett has just introduced a bill for polygamy. Good luck, Dave.

Harry Brunett has just been inaugurated as the first Republican president since Eisehower.

Don Converse, the millionaire, has led a very prosperous life; and, in his spare time, he is still trying to find out why his 39 Ford won't run.

Tim D'Avis is a prominent insurance salesman for an interplanetary firm. Karen Gelsinger is a private secretary for Tim D'Avis' firm. The business is thriving.

Sherry Krueger is president of the national Republican Party. Love that party!

Bonnie Neal, who is a great supporter of interplanetary athletics, has won interplanetary fame for her scenery paintings.

Kenneth Risley has reached stardom. His rocket ship went out of control and is presently orbiting somewhere in the Milky Way.

Tony Spek is striving for interplanetary peace because of his peaceful nature.

Dale Salmen is now an interplanetary bootlegger. It is a potential profitable business, but Dale has trouble making ends meet.

Beryl Wearley and Sandy Hall are starting a man hunting safari on the planet of Venus.

Ronnie Roos is a famous clothing designer. His most recent work is the gownless evening strap.

Shirley Weikum is testing the stability of interplanetary flying fish in the vicinity of Elk Creek.

Augusta Elks had one of the best football teams seen here in many years. The Elks after losing many senior lettermen came back the next year showing much speed and spirit. Much of the Elks' success can be credited to our coach, Mr. Buxton Kettering. The Elks lost only one game, a thriller to Power, the opening game of the season, and beat Simms, after being behind 20-6 at half time, for the final game.

The Augusta Elks getting off to a slow start during the season but showing up good at the tournament, placed fourth in the basketball tournament at Great Falls. Lacking the height of last year's team, the Elks made up for it with speed and spirit. Much credit must be given to the coach and the boys' patience, and many hours of practice. Losing many seniors, next year's team will be left without the experience of this year's seniors.

Char-

Well after reading what else is written in your annual, it makes anything I could <sup>say</sup> insignificant. You have always been a friend and sometimes I don't deserve such a fine friend. It is really hard to put into words what our friendship means to me, and I only hope that I can equally be a friend to you.

Remember all the grand times we've had together. Such as wheeling each other up the street in a wheel barrow and searching for fake fingernails in the shell dining room. Then to there were our escapades to Chateau last fall and the experiences we shared connected with those fabulous times (generator trouble? getting home from music lessons at 8:00 P.M.? Remember?)

There is no doubt in my mind that if you keep your winning personality, your quick wit, ability to gain and keep friends (both sexes), and your sunshine smile and attitude that you will be a cheerleader for the next three years, and a damn good one, too!

I know this sounds old, but I really do wish you the best of luck forever and in everything you do. Have fun as the rest of your high school years as I know you will.

A toast to the future and may it bring the best for you and may your fondest dreams come true.

Always the same old me.  
Carol

Charlene,  
 Lots of luck in the  
 future, I know you  
 will <sup>and</sup> know you  
 do. Hope whatever you  
 lot of fun in the coming  
 years. By the way, be careful  
 on the phone you make  
 Best of luck,  
 Joy Joanne

— Charlene —

Best of luck in just everything  
 you do. Hope you have  
 lotsa luck this year, because  
 I know you will. Be good  
 to all the Augusta, to Kaitiaki,  
 Jimmie boys & all others too!

Stay cute as you are  
 now & happiness will  
 always come your way.  
 God Bless one of my best  
 friends.

Just me —

P.S. Be good  
 too!

Joanne

Charlene.

I hope you have as much fun in the next  
 three years as you have had in the last one.  
 of course include a moment or two for school work!!  
 In other words keep up the excellent record you  
 have started.

Best of Luck  
 Mr. Nelson
